

West Lincoln "Warriors" Soccer Family, we hope you are staying safe and healthy during these challenging times.

House League

Maintaining a fun, fair and safe environment for our WLYSC players, families and volunteers will always be a primary concern for our Board. Carefully considering the ongoing uncertainty surrounding the COVID-19 pandemic, WLYSC has made the extremely difficult decision to **cancel both the 2020 Summer House League and our Mini Kickers U4 and U6 Programs**. The primary consideration is our players' health and safety and considering the current restrictions across the Niagara Region and adopting Ontario Soccer's "Return to Play" format, an absolute safe and fun house league and Mini Kickers' season is not possible.

Refunds will be made available to all who have already paid their registration. Please allow 45 days to process all refunds due to the high volume of members to accommodate. Please note, any registrations not yet paid will be cancelled and do not require any action by you at this time.

If you wish to leave your child's registration as a credit, please notify the Treasurer by email at wlysc@hotmail.com clearly indicating family name, child(ren)'s name(s) and age(s). All other paid registrations will be issued a refund.

Choosing to leave your registration as a credit, will allow the full amount paid this season to be applied to the 2021 season. This option guarantees your spot for the 2021 Season, ensures you will not pay any fee increases impacting the 2021 Season and if your child(ren) moves up a division in 2021, you will only pay the difference based on the 2020 rate for that division, not the 2021 rate. WLYSC greatly appreciates anyone able to choose this option, as it will help offset the cost of uniforms and equipment already purchased in preparation for this year that will now be used for the 2021 Season.

Travel Soccer

We are still hoping for a Summer / Fall season and are currently working towards a Coach / Player / Parent club protocol so we may start training in the very near future. For now, all in-person soccer activities remain suspended. We will contact our Travel Coaches next week to discuss next steps and what each coach / team is responsible for under "Return to Play" guidelines. Please stay tuned for more information.
